GB WARNING

ALL WARNINGS AND INSTRUCTIONS ON THE PRODUCT ARE TRANSLATED IN THIS INSTRUCTION MANUAL.

IMPORTANT — Keep for future reference.

WARNING: Never leave your child unattended.

Always keep your child in view.

A cot is only ready for use when the locking mechanisms are engaged.

Check carefully that locking systems are fully engaged before using the folding cot.

Your Pack 'N Play, including side rails and bottom pad, must be fully assembled prior to use.

• Top rail must be completely latched.

• Centre hub must be locked.

• Mattress must be flat and secured by Velcro straps.

Never use playard without a mattress.

Always use the mattress provided with fixings to the underside.

TO AVOID SUFFOCATION, DO NOT use extra padding such as a water mattress, or pillows inside the playard.

This travel cot is sold with a base hardcover mattress specifically designed to avoid any danger of suffocation.

WARNING: Only use the mattress provided.

WARNING: Do not use more than one mattress in the cot.

Mattress nominal lenth 950mm, width 650mm.

To protect your child from falls and other injuries:

WARNING: DO NOT LEAVE THE CHILD UNATTENDED.

This product complies to EN12221:2008, EN716:2008.

This travel cot can also be used as a playpen.

WARNING: Always keep objects out of child's reach.

Remove the accessory when child is able to pull himself up in the playard.

Unlike cribs that have rigid sides, the Pack 'N Play has flexible sides. As a result, the Pack 'N Play mattress is specially designed to prevent suffocation.

The lowest position of the mattress is the safest.

It is essential to remove the bassinet, and its support tubes before using the cot/playpen with the mattress in its lowest position.

Discontinue using your bassinet when the child reaches one of the following conditions: when the child can sit, kneel or pull itself up, or weighs more than 6.5 kg or is over 3 mths old.

Your playard/ bassinet, including side rails and bottom pad, must be fully assembled prior to use.

Centre hub must be locked.

To remove bassinet; remove mattress pad, unhook 4 clips from side rails and 2 tubes.

WARNING: Do not use the cot/playpen/bassinet without its base.

Pack N Play's main components are the frame and the mattress:

All other parts are defined as accessories.

All accessories should be removed when bassinet is not used.

WARNING: Be aware of the risk of open fire and other sources of strong heat such as electric bar fires, gas fires etc. in the near vicinity of the cot/playpen.

Inspect the product for damaged hardware, loose joints, missing parts or sharp edges.

WARNING: Do not leave anything inside which could act as a climbing aid.

Warning: Do not leave anything in the cot or place the cot close to another product, which could provide a foothold or present a danger of suffocation or strangulation, e.g. strings, blind/curtain cords etc.

Always use on a flat, level floor. Keep away from trailing cords and flexes.

Should the padded rim be split or bitten through to expose the padding, do not use the Pack 'N Play.

Regularly check the locks and fittings for security.

When folded, store away from children.

All assembly fittings should be tightened properly as parts of the body or clothing can get caught with a danger of strangulation.

WARNING: Do not use the cot if any parts is broken, torn or missing and use only spare parts approved by the manufacturer.

Use only additional parts obtained from the manufacturer or distributor.

Discontinue using your Pack N' Play when the child reaches 86cm in height, weighs more than 14kg or is able to climb out.

To prevent injury from falls, when the child is able to climb out of the cot, the cot shall no longer be used for that child.

This cot (which length is less than or equal to 1100mm) is intended for children under 3 years old.

Possible entanglement injury.

Keep out of baby's reach.

Do not use accessory not recommended by the manufacturer.

Changing table is not suitable for children over 11kg.

Changing table is suitable for a child from birth up to 12 months old.

WARNING: Always remove the changing table before placing the child in the Pack' N Play or bassinet.

Bassinet with storage: If you leave the child unattended in the cot, always make sure that the storage opening is closed and latched.

Remove electronic module when removing bassinet from the bed.

WARNING: Only use vibration module in the bassinet when using playard.

Always remove vibration module from the bassinet when bassinet is not in use.

For models with an electronic unit with vibration:

WARNING: Strangulation hazard:

Keep the vibration unit cord out of the reach of children.

Do not use with an extension cord.

Do not remove tag from cord.

The diaper organizer is only for use with the changing table - Always remove from the Pack' N Play when not using the changing table.

Possible entanglement injury. Remove canopy with toys or toybar from Pack `N Play when baby begins to push up on hands and knees. (Recommended use from birth to 5 months.)

The canopy with toys is intended for visual stimulation and is not intended to be grasped by the child.

Do not allow young children to play unsupervised in the vicinity of the playard/ bassinet.

Do not use an additional mattress with the bassinet.
